Extend's
Louann Mackowiak
has been awarded
the CAPP
certification

November 04, 2010

Louann Mackowiak, Extend Accounting Director of Control and Compliance, has been awarded the Certified Accounts Payable Professional (CAPP) certificate by the International Accounts Payable Professionals (IAPP).

The IAPP CAPP certification program is focused on identifying only those with the highest level of AP knowledge. A CAPP recipient has mastered the skills required to be successful in any AP environment. Certified accounts payable professionals (CAPP) are recognized by large corporations as well as the United States government.

"We are very excited that Louann earned her CAPP certification. She is an asset for our company," said Keri Gollance, Managing Director Extend Accounting. "This certification demonstrates our long-standing commitment to providing our clients AP expertise and industry best practices."
